

# Download Coromandel Sea Change

Community members rallied at Thames Coromandel District Council this morning in support of the council signing the Climate Change Declaration. The Coromandel Coast is the southeastern coast region of the Indian subcontinent, bounded by the Utkal Plains to the north, the Bay of Bengal to the east, the Kaveri delta to the south, and the Eastern Ghats to the west, extending over an area of about 22,800 square kilometres. Its definition can also include the northwestern coast of the ... The following text appeared in the original Newbridge brochure and is kindly supplied by the Corribee Owners Association: The Newbridge Coromandel Coromandel Beaches THE BEST COROMANDEL BEACHES. A lot of New Zealand's seashore is ordinary coastline with a few beaches but on the Coromandel Peninsula things change dramatically - its end to end beaches!
