

# Download Instructional Theory:a Beginning

What does an instructional designer do? Design and develop learning experiences. I'm emphasizing "experiences" here deliberately, even though that isn't always how others would describe the job. Design and planning resource for classroom teachers, instructional designers, and professors of education. The glossary lists, describes, and provides links for over 800 educational strategies, theories, and activities.1 Definition. 4C/ID is an instructional design model by van Merriënboer and others. "4C" means "four components", "ID" means "Instructional Design". Motivation as a desire to perform an action is usually defined as having two parts, directional such as directed towards a positive stimulus or away from a negative one, as well as the activated "seeking phase" and consummatory "liking phase".
