wikiHow is a “wiki,” similar to Wikipedia, which means that many of our articles are co-written by multiple authors. To create this article, 73 people, some anonymous, worked to edit and improve it over time. My aim is to make each of the balloon animals from simple curved shapes. You will be able to appliqué them by your favourite method – raw edge or turned edge. My son missed 3 days of school one year because he attended his Father’s Chief Pinning Ceremony, the day his Father left for deployment and the day he came back.
