Playing With Fire: Embracing risk and danger in schools [Mike Fairclough] on Amazon.com. *FREE* shipping on qualifying offers. There is a misconception, within the teaching profession and the general public, that Ofsted, the Health and Safety Executive and the establishment are against children being exposed to danger and that schools are ... In my book Playing With Fire, I discuss my approach to risk-taking in schools. I offer examples from my own school and explain how every school in the country can safely engage in activities involving risk and danger and why we should be doing this for the benefit of all our children.
